and everything in its place!'

After you have completed circling the descriptive words that pertain to you:

1. Draw a line down the page after the 2nd column.
2. Draw a line across the page under TALKER and above LOYAL.

There are now four quadrants.

Add up all the words circled in each quadrant, then double each of these numbers. You should now have four totals.

The top left quadrant we'll call *Playful*, top right we'll call *Powerful*, bottom Left we'll call *Peaceful*, and bottom right we'll call *Precise*: the four P's.

	<i>Playful</i>	<i>Powerful</i>
<i>Peaceful</i>		
<i>Precise</i>		

The highest score is your dominant personality type. If you have two scores the same, you are a blend of these two types. If you have an obvious high score in only one quadrant, you are probably strong in that particular type.

If you have three equal scores, the middle quadrant is likely to be your dominant type personality.

If you are pretty much the same in all four, you are probably a
